

# Make the Identification Process Easier

**Wraptor™ A6500 Wire ID Printer Applicator** [Click here for video](#) 

The Wraptor A6500 Wire ID Printer Applicator helps you move through your work faster and takes manual processes out of your hands. With this innovative print and apply machine, you can move your productivity forward — and turn a series of labor-intensive, inefficient tasks into a modern automated process.

With the Wraptor A6500 you get a variety of benefits, including:

## Increased productivity

- Prints and applies labels to a wire in less than five seconds (12 times faster than hand applying)
- Eliminates the need to print labels in advance with zero-queue printing
- Reduces waste with ribbon-saving feature when compared to batch jobs where extra labels are thrown away

## Enhanced quality

- Uses high-performance, self-laminating vinyl and nylon cloth materials
- Provides a tight wrap with minimal spiraling, bubbling or wrinkling
- Prints high-quality barcodes, logos and diagrams with the 300 dpi print head
- Wraps bundles, wires and square jackets

## Easy to use

- Includes a full-color responsive touchscreen and an icon-based user interface for ease of use
- Durable and reliable system reduces downtime

## Easy to connect

- Enhanced connectivity, three USB ports and 32GB of internal memory to store commonly used job files

## Easy label creation

- Use with all Brady Workstation Apps and Suites, including the Product and Wire Identification Suite for creating basic text labels or labels with graphics and custom formatting
